Liane Chloem Longcop

Caloocan City, Metro Manila, Philippines | 0976 215 5678 | chloemlongcop.work@gmail.com

Virtual Assistant | Social Media Manager | Short-Form Video Editor | Graphic Designer

PROFESSIONAL SUMMARY

Self-taught virtual assistant and social media manager who has run the daily operations, content, and customer support of real online businesses since 2023. Handles inbox and order management, content calendars, short-form video editing, and branded graphics, and keeps records organized in Google Sheets. Uses AI tools such as Claude and ChatGPT to draft content, automate spreadsheet work, and build small web tools, then reviews the output for accuracy and brand voice. Reliable, detail-oriented, and ready for a full-time remote role.

CORE SKILLS

- **Virtual Assistance:** administrative support, inbox and customer support management, order processing, fulfillment coordination, task and time management, record-keeping
- **Social Media Management:** content calendar planning and scheduling, caption writing, brand voice, Facebook, Instagram, and TikTok, Meta Business Suite
- **Video Editing:** short-form video (Reels, TikTok), promotional videos, captions and subtitles, CapCut
- **Graphic Design:** Canva, branded graphics, logos, price lists, promotional materials
- **AI-Assisted Workflows:** Claude, ChatGPT, content drafting, spreadsheet automation, prompt writing, fact-checking AI output
- **Tools:** Google Sheets, Google Docs, Google Apps Script, Canva, CapCut, Meta Business Suite, TikTok Creator Tools

PROFESSIONAL EXPERIENCE

Store Administrator and Operations | Elelet Market 2026 – Present

- Manage orders, payments, inventory, and delivery records for an online neighborhood store in organized Google Sheets
- Answer customer inquiries on Facebook Messenger using standard response templates for common questions
- Run the store's social media (Facebook, Instagram, TikTok): content planning, captions, graphics, and short videos
- Built the store's point-of-sale web app and public website with Google Apps Script, connected to live inventory data

Freelance Social Media Manager, Video Editor, and Graphic Designer | Self-Employed 2023 – Present

- Create social media graphics, short-form videos, and captions for small-business and personal-brand clients on commission
- Plan content calendars and keep a consistent posting schedule across platforms
- Use AI tools to speed up drafting and planning, then edit for tone and accuracy

Co-Founder, Operations and Social Media Lead | GBH Clothing and Redeemd 2023 – Present

- Handle customer inquiries and order confirmations across social media platforms
- Oversee the pre-order system and coordinate the workflow from production to fulfillment
- Plan and run marketing campaigns, including graphic design and short-form video editing
- Write captions and content strategies with AI tools to keep posting consistent and efficient

Online Business Manager | Liane Bakes 2023 – Present

- Respond to customer inquiries and process online orders
- Track fulfillment timelines and maintain accurate transaction records
- Create product visuals and promotional posts, and edit promotional videos for online engagement

Program and Event Coordinator | Resonate Youth 2020 – 2025

- Coordinated schedules and delegated tasks across volunteer teams
- Planned and carried out mid-size to large community events with a team
- Developed content themes and engagement ideas for the organization

SELECTED PROJECTS

Elelet Hub, Point-of-Sale Web App Google Apps Script, Google Sheets

- Built with AI assistance and used by store staff and delivery riders to record orders and payments
